Event Report

Activity : Teachers and Engineers day conducted by Department of Electronics and Communication Engineering”

The Department of ECE of Sri Krishna Institute of Technology conducted Teachers and Engineers day on 15th Sept 2022 at 11:00 AM in classroom.

The detailed report of the event is given below.

OBJECTIVES:

1. To take a pledge to promote and encourage the youth to select for engineering education
2. Recognize the central role teachers play in nurturing and guiding youth through the lifelong learning process.
3. Celebrate the role played by teachers in community upliftment.
4. To produce quality engineers for the bright future of our country

Event name: “Teachers and Engineers day”

Date of conduction: 15/09/2022

Number of participants: 20

Platform used: Auditorium

SUMMARY:

Teachers and Engineers day organized on 15th Sept 2022 at 11:00 AM . Dr. Naganagouda C Patil, Professor, SKIT, was the president of the function. In his Presidential address he spoke on the relevance of celebrating Teachers day and Engineers day in the fond memory of Dr. Sarvapalli Radhakrishnan and Sir M. Visvesvaraya respectively. He recollected how they overcame their initial hurdles and achieved the career success and how they ended up receiving the prestigious Bharatha Rathna Award for their untiring contribution for the betterment of the society.

OUTCOMES:

1. The roles played by the teachers in community upliftment was celebrated
2. The central role, teachers play in nurturing and guiding the youth through the lifelong learning process is recognized.
3. The pledge to promote and encourage the youth to select for engineering education is taken
4. Quality engineers for the bright future of our country should be produced

Event Report

ACTIVITY: EBSB day on World Water Day

ABOUT: World Water Day is held annually on 22 March as a means of focusing attention on the importance of freshwater and advocating for the sustainable management of freshwater resources. It is about taking action to tackle the global water crisis, in support of Sustainable Development Goal (SDG) 6: water and sanitation for all by 2030. In 2022, World Water Day is celebrated under the theme “**Groundwater: Making the invisible visible**”.

Ek Bharath Shrest Bharath (EBSB) Club has organized an EBSB Day on the occasion of World Water day. In this regard Water Conservation Pledge was taken on Tuesday 22/03/2022 at 11.15 am.

OBJECTIVE: To ensure students make water usage in right way and value the need of water for everyone.

EVENT SUMMARY: During the event students and faculties were asked to take pledge about water conservation. Pledge was as follows:

I understand that water is my community's most precious and natural resource. I recognize that how we manage water today will affect nearly every aspect of our future. I know that our water supply is not endless and it is important for me to change my habits to conserve water.

In order to do my part, I pledge to reduce my water consumption per day by using water more wisely.

I PLEDGE to conserve water and to use water wisely.

I PLEDGE to take shorter showers, to use less water in the bathtub and turn off the water while I'm not using.

I PLEDGE to remind my parents to use water wisely if they are wasting it.

I PLEDGE to continue my water-saving habits when I become an adult, because I know that water is LIFE.

Event Report

Activity: Pledge on Plastic free July.

ABOUT: “Ek Bharat Shreshtha Bharat” was announced by Hon’ble Prime Minister on 31st October, 2015 on the occasion of the 140th birth anniversary of Sardar Vallabhbhai Patel. The focus of the Ek Bharat Shreshtha Bharat program is to actively enhance the interaction between people of diverse cultures living in different States and UTs in India to promote greater mutual understanding amongst them.

OBJECTIVE: To make students aware about reducing the usage of plastic and its effects.

EVENT SUMMARY:

SKIT-EBSB Club has organized an Pledge on the usage of plastic on Tuesday 26/07/2022. This was our second pledge which was conducted under **SKIT - “EK BHARATH SHRESHTA BHARATH “**. It was co-ordinated by Mr. Vishwa pavan S, Asst prof. Dept of CVE .

Plastic Free July's goal is to challenge people to reduce using single-use plastics and to encourage sustainable habits every day. Plastic Free July is a personal challenge that is part of a global effort to reduce our overall plastic consumption, creating cleaner campuses, streets, oceans and communities. By taking the Plastic Pledge, students commit to take action to protect the environment from plastic pollution.

The pledge was taken by all the students in their respective classrooms.

INDUSTRIAL VISIT REPORT

Activity : An Industrial visit to “Municipal Solid Waste Processing Plant” at Doddabidarekallu.

INTRODUCTION/OVERVIEW:

A complete report on Industrial visit organized by SKIT for the students of the Department of Civil Engineering 4th and 6th semester in order to get the practical knowledge about Solid waste management.

OBJECTIVES:

1. Reducing the amount of materials in landfills and promoting conditions that make it possible to return to industries as raw material is one of the premises of PNRS, reducing environmental impacts and pollution risks and promoting the circular economy.
2. Minimize the Production of Waste. Proper management practices help minimize the garbage and scraps that need handling.
3. Nearly 120 tons of municipal waste is being converted to organic manure which is around 4mm size.

SUMMARY:

The Department of Civil Engineering organized a Site visit to SWM plant, the students of 4th and 6th semester were taken to the plant to get exposed to the practical knowledge of the procedure. The visit was Coordinated by Ramya A V and Vishwa Pavan S, Assistant professors, Department of Civil Engineering, SKIT.

OUTCOMES:

1. Students got the practical exposure how organic manure can be generated from municipal solid waste.
2. Composting process that will be carried out by SWM plant.
3. Treatment of Leachate and its disposal.

Event Report

Activity: Introduction to the language of Uttarakhand.

ABOUT: “Ek Bharat Shreshtha Bharat” was announced by Hon’ble Prime Minister on 31st October, 2015 on the occasion of the 140th birth anniversary of Sardar Vallabhbhai Patel. The focus of the Ek Bharat Shreshtha Bharat program is to actively enhance the interaction between people of diverse cultures living in different States and UTs in India to promote greater mutual understanding amongst them.

OBJECTIVE: To CELEBRATE the Unity in Diversity of our Nation and to create a learning ecosystem between the various stakeholders of the partnering states so that they benefit from the best practices of one another by establishing a State to State Connect.

EVENT SUMMARY:

SKIT-EBSB Club has organized an event on Introduction to the language of Uttarakhand on Wednesday 23/02/2022. This was our second event which was conducted under **SKIT - “EK BHARATH SHRESHTA BHARATH”**. It was co-ordinated by Mr. Vishwa pavan S, Asst prof. Dept of CVE & Mr. Appese SD, Asst prof. Dept of ME.

The event was conducted in an online mode as per the COVID protocol at 3 PM in the afternoon.

Mr. Vishwa pavan S addressed the gathering and also shared the knowledge of the language of Uttarakhand. Uttarakhand is home to people of multiple ethnicities who speak multiple languages. Although the main languages of Uttarakhand are Garhwali and Kumaoni. A woman from Uttarakhand who has got settled in Bangalore spoke in Kumaoni language about their language, culture and food had been translated to Kannada by her daughter who is studying here. We concluded stating that even though we have a number of languages we are united by one bonding that is one nation India which is **EK BHARATH SHRESHTA BHARATH**. The key idea was shared using PPT, related video and an audio. Mr. Vishwa pavan S and Mrs. Veena M Naik concluded the session by giving Vote of Thanks.
