

STUDENT SATISFACTION SURVEY

Analysis report for the year 2022 & 2023

INTRODUCTION

- Students are an asset for any educational organization and they are de-facto agents of growth, strength and continuous self- analysis of a college. Considering the importance of their opinions and suggestions, Sri Krishna Institute of Technology framed a well-structured questionnaire ranging from Infrastructure, Academic Enrichment and Ambience, Student Support and Guidance(on Laboratory session/Internship/Project/Academic Activity/Extra Curricular etc.), Faculty support on Teaching-Learning and Academic Preparedness and Administrative support on Academic Progress.
- It helps institutions to understand what is working well and where there is room for improvement.

METHOD

- Google form was rolled out amongst the students

FOCUS AREA

- Curricular Aspects
- Teaching-Learning and Evaluation
- Infrastructure and Learning Resources
- Student Support and Progression

OBJECTIVES

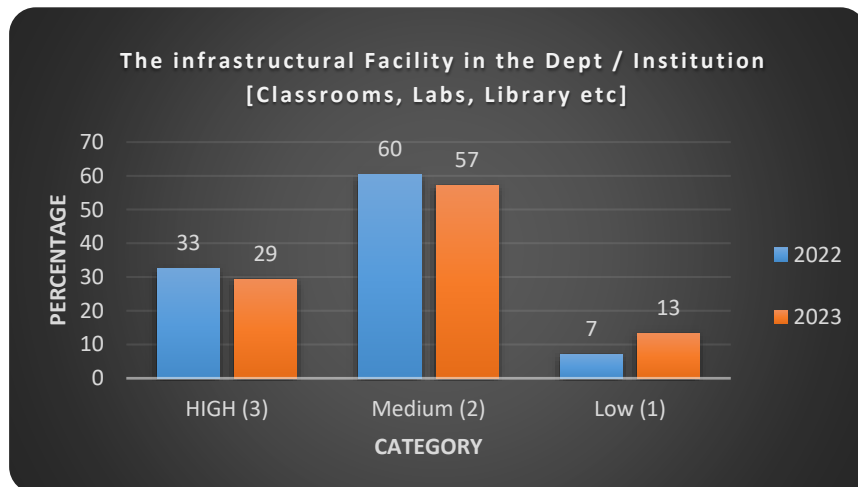

- To provide students a platform to share their opinions & perceptions in relation to teaching-learning process and suggest improvement areas.
- To provide the students a forum for healthy interaction with the administration regarding the weaker areas of learning environment.
- To make the students critical thinkers
- To give students a sense of belongingness.
- Continual improvement of the College Infrastructure, Staff and Supporting Services

Root Cause:

- Lack of effective monitoring on cleanliness
- Ineffective survey of the Lab systems
- Lack of Waste disposal management

Action Plan:

Washroom Cleanliness:

Checked for any loose or broken fixtures such as faucets and flush handles repaired them or replaced them if required

Maintenance Log: A checklist of all the maintenance activities such as washroom cleaning and classroom dusting.

Sanitary Napkin Destroyer machine: The installation of incinerators helps us to manage the disposal of sanitary waste in a hygienic and eco-friendly manner.

Lab Infrastructure:

We have upgraded the labs by procuring new 70 systems.

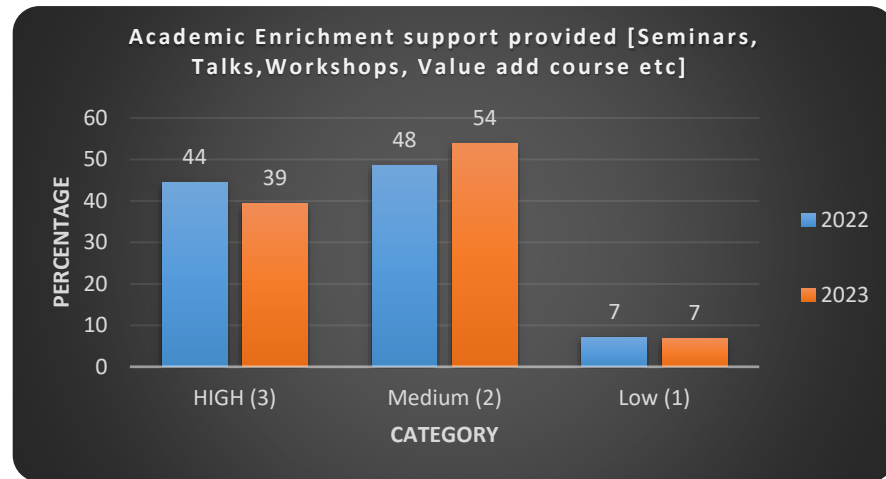

Timely servicing of Lab Equipment

Others:

Dustbins are provided for all the classrooms

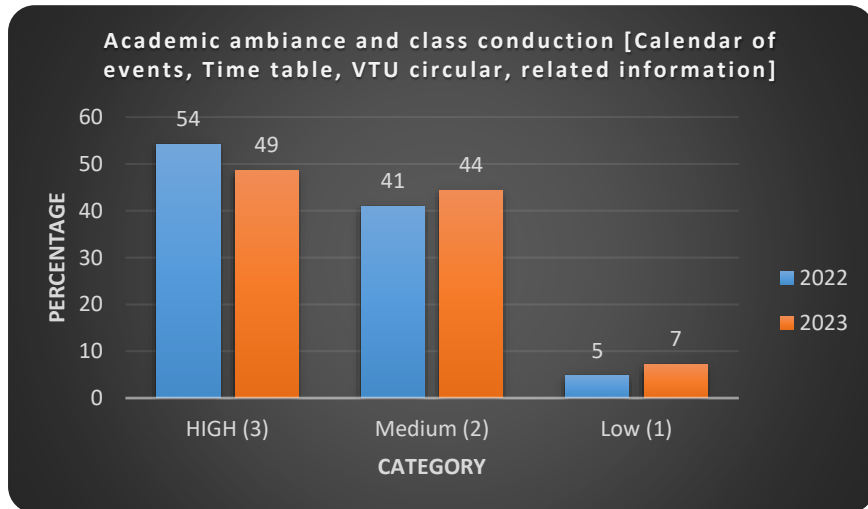

Academic Enrichment support provided [Seminars, Talks, Workshops, Value add course etc]
